FAQs

+FAQ #1 How do I know this is for me?

If you feel God prompting you to come away with us, we believe this is for you. We want to create a space where you can come away to rest and refresh. Our retreat is for females any age over 18.

+FAQ #2 I'm scared to invest, will it be worth it?

I just want to ask one question on the money front. What would time away do for your life? Time to refocus, rest and refresh. We pour our hearts and souls into filling this retreat with value for your life. If you are still unsure send me an email and we can talk it over

+FAQ #3 Do I need to bring anything on a retreat?

You bring yourself, comfy clothes and any items you want to bring and we provide the rest. We provide food, bedding, notebook, pen and everything else you could need.

A photograph of a modern outdoor lounge area. In the foreground, there are two wicker sofas with light brown cushions arranged around a low, light-colored wooden coffee table. On the coffee table, there is a vase of pink lilies, a bottle of wine, and some snacks. The lounge is situated under a large, white, curved structure with brick arches. In the background, there is a view of the ocean and a blue sky. A white pillar supports the structure on the right. The overall atmosphere is relaxed and tropical.
